October 31, 2018

Radisson Hospitality AB, publicly listed on Nasdaq Stockholm, Sweden and part of Radisson Hotel Group, is proud to announce the introduction of its globally renowned Radisson and Park Inn by Radisson brands to Lagos, Nigeria, with the opening of two new hotels: the Radisson Hotel Lagos, Ikeja and the Park Inn by Radisson Serviced Apartments Lagos, Victoria Island.

Tim Cordon, Senior Area Vice President, Middle East, Turkey & Africa, Radisson Hotel Group, said: “2018 has been a record year for us in terms of growth in Nigeria, and we’re pleased to now have more than 2,000 rooms in operation and under development in this exciting market. We’re further delighted with these two new hotel openings and the introduction of two new brands to Lagos, a dynamic destination and one of Africa’s booming cities. We’ve seen Nigeria’s tourism sector continue to grow and make a significant contribution to the country’s GDP, while being one of its key employers. We’re thrilled to be playing a leading role in this growth.”

Radisson Hotel Lagos Ikeja, Nigeria

We’re immensely pleased to introduce the Radisson brand to Nigeria and to bring its Scandinavian-inspired hospitality to the country. The hotel features 94 rooms that include standard and deluxe rooms, as well as spacious suites. The hotel has a restaurant serving locally inspired cuisine, a bar and a pool terrace. There are also three meeting rooms, a business center, a special lounge for airline crew, a gym and swimming pool. Located in Ikeja, the capital of the Lagos State, the hotel is situated on Mobolaji Anthony Highway, a main highway linking Ikeja with the rest of Lagos. The international airport, which accounts for 50% of all air traffic in Nigeria is located 1km from the hotel.

Jaco Prinsloo, General Manager of the Radisson Hotel, Lagos Ikeja, said: “We’re delighted to open the first Radisson branded hotel in Lagos, Nigeria’s bustling capital. The hotel has a prime location next to one of Africa’s busiest airports, and we look forward to welcoming domestic and international guests. The team is ready to deliver our legendary Yes I Can! Service and create memorable moments for our guests.”

Park Inn by Radisson Serviced Apartments Lagos, Victoria Island, Nigeria

Also making its debut in Lagos is the fast-growing upper midscale brand, Park Inn by Radisson – opening serviced apartments on Victoria Island, the exclusive address to Lagos’ financial district. Located just off Adetokunbo Ademola Street, the main boulevard within Victoria Island, the hotel features 55 contemporary hotel apartments – offering views of the pool, waterfront or lively business district.

The hotel offers an international menu at Avalon Brasserie and an outdoor terrace for some al fresco dining. Guests can also enjoy refreshments at the hotel bar or small bites by the pool. Other facilities include a gym and a swimming pool, while the meeting and events space consists of two modern conference rooms and a boardroom – boasting a total capacity of 112 people.
