The largest shareholders will be contacted by the Chairman of the Board based on the Company's index of registered shareholders provided by Euroclear Sweden AB as of 31 August 2011. If any of the three largest shareholders declines to exercise its right to appoint a

member to the Nominating Committee, then the next largest shareholder must be given the opportunity to appoint a member.

The term of office for the Nominating Committee lasts until a new nominating committee is appointed. The chair of the Nominating Committee must be the member who represents the largest shareholder, unless the members unanimously agree on another chair.

If a member leaves the Nominating Committee before his/her work is completed, then the shareholder that appointed the member has the right to appoint a new Nominating Committee member. The members of the Nominating Committee do not receive remuneration.

If a significant change occurs in the Company's ownership structure and a shareholder (which after this significant ownership change becomes one of the three largest shareholders) expresses the desire to be a Nominating Committee member, then the Nominating Committee shall offer the shareholder a place on the Nominating Committee by replacing the representative of the smallest shareholder (number of votes) on the Nominating Committee.

If any of the shareholders who appointed a representative to the Nominating Committee sells a substantial part of its shares in the Company before the Annual General Meeting, then the member appointed by such shareholder shall resign and be replaced by a new member appointed by a shareholder who as a result of the change in the Company's ownership structure has become one of the three largest shareholders or if such shareholder declines then the next largest shareholder is given the opportunity to appoint a member. The compensation shall consist of a balanced mix of base salary, variable salary, pensions, a share-based incentive program for the key management and conditions for termination and termination payments.

The President & Chief Executive Officer resolves upon the terms of employment for the other Company key management after consent from the Board's compensation committee. It is proposed that the Board of Directors shall be authorised to deviate from the principles for compensation of the Company's key management if certain circumstances are at hand in a specific case.

Item 16 – Share based incentive programmes

Proposal for resolutions regarding (A) the implementation of a long-term, performance-based incentive programme, (B) reallocation of shares and authorization for the Board to resolve on acquisitions and transfers of own shares on a regulated market, and (C) transfers of own shares to participants in Performance Share Programme 2011

Background and description

Long-term incentive programmes for the senior executives of the Group have previously been approved by the shareholders at each of the Annual General Meetings from 2007 until 2010. The Board of Directors considers that, in relation to the programme approved by the Annual General Meeting 2010, a partly modified long-term, performance-based incentive programme should be proposed to the Annual General Meeting 2011 and be implemented for the senior executives of the Group. The purpose of the proposed programme is to ensure that remuneration within the Group helps aligning executives with shareholders and that a suitable proportion of remuneration being linked to Company performance. The Board also considers that the proposed programme supports the retention of senior executives and reflects market practice.

Participants in the programme will be given the opportunity, after a three-year qualification period, to without consideration receive allotments of shares in the Company ("Performance Shares"), subject to the achievement of certain financial targets. The qualification period runs from the day awards under the programme are granted until the day of allotments of Performance Shares. Allotments of Performance Shares are conditional upon certain financial targets, linked to relative Total Shareholder Return ("TSR") and Earnings per Share ("EPS"), being achieved at the

expiration of a three-year performance period comprising the financial years 2011 – 2013. Upon allotment of the relevant number of Performance Shares, the participants shall also be entitled, for each Performance Share allotted, to receive a cash amount equivalent to any cash dividend attributable to the Performance Share during the qualification period.

Incentive programmes in accordance with the principles set out above may be implemented also in forthcoming years, provided that each relevant Annual General Meeting resolves to that effect. For 2011, the Board of Directors proposes that the Annual General Meeting resolves on the implementation of a long-term, performance-based incentive programme with the main terms and conditions set out below (“Performance Share Programme 2011”).

The Board of Directors’ main proposal for a resolution is described under items (A) – (C) below

(A) Main terms and conditions for Performance Share Programme 2011

Participation in the Performance Share Programme 2011 shall comprise no more than 35 senior executives within the Group. The term of the Performance Share Programme 2011 shall be approximately three years and the programme shall in total comprise no more than 1,342,650 shares – of which no more than 1,084,000 shares may be transferred to participants in the programme as Performance Shares and no more than 258,650 shares may be transferred on a regulated market to cover social security costs and other costs related to the programme. The maximum number of shares that may be allotted as Performance Shares under the Performance Share Programme 2011 corresponds to approximately 0.72 per cent of the total number of outstanding, registered shares in the Company. Including the number of shares that may be sold on the market at the prevailing market price in order to cover social security costs and other costs related to the programme, the total number of shares corresponds to approximately 0.90 per cent of the total number of outstanding, registered shares in the Company.

Participants are given the opportunity, provided that the TSR and EPS targets are achieved, to receive without consideration allotments of Performance Shares after the expiration of the three-year qualification period. Upon allotment of the relevant number of Performance Shares the participants shall also be entitled, for each Performance Share allotted, to receive a cash amount equivalent to any cash dividend attributable to the Performance Share during the qualification period.

The total number of Performance Shares to be allotted amounts to 300,000 for the Chief Executive Officer, 150,000 for the Chief Financial Officer, 55,000 for each of the Chief Operating Officer and the Chief Development Officer, 45,000 for other participants within the top management and 13,000 for other participants in the programme.

The financial targets, and thus the allotment of Performance Shares, will during a three-year performance period comprising the financial years 2011 – 2013 be based 75 per cent on the Company’s TSR (of which 75 per cent will vest subject to Rezidor’s TSR percentage outperformance of a comparator group of 10 publicly traded international hotel companies and 25 per cent will vest subject to Rezidor’s TSR percentage outperformance of the constituents of the OMXS 30 Index) and 25 per cent on the Company’s cumulative EPS. TSR is equal to the overall return a shareholder would

receive on his shareholding taking into account both share price appreciation and dividends (if any). The Board of Directors believes that linking the allotment of Performance Shares to both TSR and EPS ensures the programme's robustness, is motivational for participants, and is in line with market practice.

The financial targets for allotments of Performance Shares under Performance Share Programme 2011 include a minimum level which must be achieved in order for any allotment to occur at all, as well as a maximum level in excess of which no additional allotment will occur. Should lower financial targets than the maximum level be achieved during the three-year performance period, a lower number of Performance Shares will be allotted.

Allotments of Performance Shares, as well as payments of the cash amount mentioned above, will take place in conjunction with the announcement of the Company's quarterly report for the first quarter 2014. Recalculation of the conditions for allotment of Performance Shares shall take place in the event of an intervening bonus issue, split, preferential rights issue and/or other similar corporate events.

Upon termination of the employment within the Group during the three-year qualification period the right to receive allotments of Performance Shares normally lapses. In case the Chief Executive Officer retires during the qualification period, the Chief Executive Officer's right to receive allotment of Performance Shares will be proportionately reduced in relation to remaining time of the qualification period. The Board of Directors shall under certain circumstances be entitled to adjust or terminate Performance Share Programme 2011 in advance. In addition, the Board of Directors shall be entitled to make such local adjustments of the programme that may be necessary to implement the programme with reasonable administrative costs and efforts in the concerned jurisdictions.

(B) Reallocation of shares and authorization for the Board to resolve on acquisitions and transfers of own shares on a regulated market

The Company has 3,694,500 repurchased shares of which 2,591,523 secure the obligations of the Company pursuant to Performance Share Programmes 2008, 2009 and 2010. The Board of Directors proposes that the Annual General Meeting resolves that the in total 1,102,977 shares that are no longer needed to secure the obligations of the Company under the Performance Share Programmes 2008, 2009 and 2010 may be reallocated from the previous programmes to Performance Share Programme 2011.

The Board proposes that the Annual General Meeting authorizes the Board to acquire and transfer own shares on the following terms:

The authorisation may be exercised on one or several occasions, however until the Annual General Meeting 2012 at the latest. No more than 177,536 shares may be acquired to secure delivery of shares to participants in the Performance Share Programme 2011, corresponding to approximately 0.12 per cent of the total number of outstanding, registered shares in the Company. No more than 62,137 shares may be acquired to cover social security costs and other costs pertaining to the Performance Share Programme 2011, corresponding to approximately 0.041 per cent of the total number of outstanding, registered shares of the Company. No more than 8,589 shares already held by the Company may be transferred to cover social security costs and other costs related to the Performance Share Programme 2008, corresponding to approximately 0.005 per cent of the total number of outstanding, registered shares of

the Company. Acquisitions and transfers may only be effected on NASDAQ OMX Stockholm and then only at a price within the from time-to-time prevailing range of prices (spread), meaning the interval between the highest purchase price and the lowest selling price.

(C) Transfers of own shares to participants in Performance Share Programme 2011

Resolutions on transfers of own shares to participants in the Performance Share Programme 2011 may be made on the following terms and conditions.

No more than 1,084,000 shares may be transferred to participants in Performance Share Programme 2011 as Performance Shares. Entitled to acquire shares without consideration shall be such persons within the Group being participants in Performance Share Programme 2011. Further, subsidiaries shall be entitled to acquire shares without consideration, in which case such company shall be obliged, pursuant to the terms and conditions of Performance Share Programme 2011, to immediately transfer these shares to such persons within the Group being participants in Performance Share Programme 2011. Transfers of shares shall be made without consideration at the time and on such additional terms and conditions that participants in Performance Share Programme 2011 are entitled to receive allotment of shares. The number of shares that may be transferred is subject to recalculation in the event of an intervening bonus issue, split, preferential rights issue and/or other similar corporate events.

The Board of Directors' proposal pursuant to items (A) – (C) above shall be resolved on as one decision and requires that the resolution is supported by shareholders representing no less than nine-tenths of both the votes cast and the shares represented at the Annual General Meeting.

Item 17 – Authorisation for the Board of Directors to resolve on the acquisition and transfer of the Company's own shares

The Board of Directors proposes that the Annual General Meeting authorise the Board of Directors, at one or several occasions, however at the latest until the Annual General Meeting 2012, to decide on acquisitions of the Company's own shares and transfer of the Company's own shares. The purpose of the proposal is to *inter alia* give the Board of Directors an increased capacity to act in respect of organising the capital structure of the Company.

Acquisitions of the Company's own shares may take place on NASDAQ OMX Stockholm and by offers to the shareholders. Acquisitions may be made so that the holding of the Company's own shares does not exceed one tenth of all the shares in the Company (including shares that, as the case may be, are included in item 16) and transfers by not more than the number of shares held by the Company at any given time.

Transfers of the Company's own shares may take place on NASDAQ OMX Stockholm or in another manner than on NASDAQ OMX Stockholm. Transfers may be made by not more than the number of shares held by the Company at any given time and shall include the right to make decisions to deviate from the preferential right of the shareholders.
